Dear Sir:

"EDWIN B. DEGOLIA"

I am enclosing herewith a letter from the owners of the above named vessel, from which you will note that, in view of the fact that the classification of this vessel will be transferred to the American Bureau, they are withdrawing her from class with this Society.

On receipt of this letter I spoke to one of the owners and also requested Mr. Archbold to take the matter up with their office with a view to reconsidering the decision. However, we have had no success in the matter and there is no alternative but for the Committee to take the necessary action.

I am, Dear Sir,

Yours faithfully,

Principal Surveyor
