QUESTION.

ANSWER.

With reference to the entries in your Return of Vessels under Survey for the quarters ending December and March last and to my letter of the 28th October last, it is concluded that the Special Survey is now in hand, but I shall be glad if you will confirm this.

I think it well to point out that the Boiler Survey became due at the end of February last.

L.H.L.

Date:— 27th April, 1950.

In reply we have to inform you that this vessel is still laid up pending the decision as to her future. The Special Survey was partly carried out, when the Owners decided that they would sell the vessel and not proceed therefore with the survey. Negotiations for the sale have, however, broken down, and our report is being withheld until a definite decision can be obtained as to the Owners' plans for this trawler.
