Glasgow.

Dear Sirs,

s.s. No. "357"  
Letter re Bulkheads.

With reference to the above vessel, building  
on our behalf, kindly note that, to suit the requirements  
of our trade, we desire the Bulkhead in the After Hold  
kept forward to form the after end of the Deep Tank, the  
'tween deck portion of this bulkhead being omitted, all  
as shown on the plans already submitted by the Builders.

Yours faithfully,

(Sgd.) John Edgar & Co.
