The Secretary,  
LONDON.

Dear Sir,

Steam Trawler "GÖRAN".

With reference to your Classing Letter dated the 2nd inst. regarding the above vessel, we have to state that we are informed by the local Chief Inspector of the Royal Swedish Board of Trade that she has been converted for the carriage of passengers. According to a notice in the Papers to-day she attempted to leave this port yesterday with a number of Estonian refugees on board. She has, however, been stopped by the Authorities.

We may add that we have received no reply to our communications regarding the boiler and screw shaft surveys.

Yours faithfully,

THE SURVEYORS, Gothenburg.
