This vessel became due for First Special Survey No.1 in February last. She has recently been sold to Norwegian Owners, who state that they intend to employ her as a cement store in Brevik Harbour and therefore they do not desire to maintain her in the Society's Classification.

In the circumstances the Classing Committee, who had the case before them on Tuesday, 30th ultimo, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
