ENCLOSURES.

2nd March, 1920.

Dear Sir,

I beg to hand you herewith the Classification certificates in respect of the Ferro-Concrete Barges "CRETECOVE" and "CRETERAMPART" recently completed by Messrs. Concrete Seacraft Ltd., and Messrs. The Gloucester Ferro-Concrete Shipbuilding Co., Ltd., respectively, together with the certificate of test of the Donkey Boiler which has been fitted on board the former vessel, and accounts for the fees due for the survey during construction, and for the survey and assignment of freeboard of these vessels, and shall be glad if you will kindly pass the same on for payment to the Finance Section of your Department in due course.

I may add that the fees in these cases have been charged in accordance with the arrangement referred to in my letter of the 26th March, 1919, addressed to the Director of Contracts.

With regard to the Freeboard certificates for these vessels I may say that those for the "CRETECOVE" were forwarded to the Society's Surveyors at Liverpool on the 24th December last, and those for the "CRETERAMPART" to the Society's Surveyors at Bristol on the 2nd February to be handed to the Builders.

I am, Dear Sir,
Yours faithfully,

Assistant to the Secretary.

The Controller General of Merchant
Shipbuilding,
MINISTRY OF SHIPPING,
St. James's Park, S.W.(1).
