Dear Mr. Davies,

Reverting to the conversation which we had the pleasure of having with you on Saturday concerning the classification of Messrs. Swire's steamer being built by Messrs. Sir Raylton Dixon & Co., of Middlesbrough, I think it well to let you know that Mr. Fowling called yesterday and saw Mr. Swire and had a friendly conversation with him on the matter, which I think will be easily settled.

You may like to have a copy of the letter which we sent to the Surveyors at Middlesbrough on the subject.

With many thanks for the trouble which you have so very kindly taken in this case, and kindest regards,

I am,

Yours faithfully,

John Davies, Esq.,
