

MESSRS. SIR RAYLTON DIXON & CO'S NO. 617.

S.S. "TAIKOO WAN YI".

It is submitted the Middlesbrough Surveyors be informed in reply to their letter of the 29th ultimo:-

- (1) The riveting of the shell plating will be accepted in this instance.
- (2) Brackets will require to be fitted at the heels of the hatch end pillars.
- (3) As no ceiling is laid on the tank top, some protection must be fitted over the manhole covers on tank top.

The three plans forwarded by the Surveyors should be returned.

The Surveyors might further be advised that the Owners.

have been interviewed regarding these matters, and a copy of the Secretary's letter in reply to the Surveyors is being supplied to the Owners at their request, in order that they may forward it to the Builders.
