Dear Sir;

S/S "BESSA" SFO report No.2475

With reference to your letter of the 24th of May last regarding reports submitted to the American Committee at their meeting on the 3d of that month, I enclose herewith a letter dated the 18th instant received from the Society's Surveyors from which it will be seen that the thickness of floors should read .52B and not .52E as stated in the report.

I am, Dear Sir,

Yours faithfully,

The Secretary
