# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

7th September, 1950.

Sir,

## Motorship "ORCA"

With reference to the remarks contained in last paragraph of your letter of the 26th ultimo to your later communication of the 29th ultimo, being that the Owners hope the Dutch Shipping Commission will grant a Certificate for trading "E", it is thought well to point out that so as this Society is concerned, when the class is lately assigned it will be "B.S. Coasting Service" which does not completely cover zone "E" and it is considered you should inform the Dutch Shipping Commission to this effect.

Yours faithfully,

c.c.Fbd.

Assistant Clerk to  
the Classification Committee.

van der Weel, Esq.,
