Thank you for your letter of the 7th instant, with enclosed photostat copies of machinery reports, memorandum dealing with the requirements for reinstatement of class and copies of correspondence received from Mr. Lascelles of Antwerp, the contents of which have been noted.

We now await instructions from the Owner's Representatives, Boma, Belgium Congo, and as soon as definite arrangements have been made, we will attend to travelling arrangements.

All photostat copies of machinery reports, together with copies of Report C11 and Report C11 (comp) forwarded last February, will be returned to you when the surveys have been completed.

Thank you for your attention.

Yours faithfully,
