Ans'd 29

Sir,

Tugs. "ARTHUR BENELMANS"
AND "VIVI"

Recd
3/12

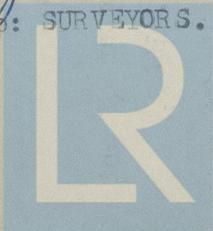

Thank you for your letter dated 15th January in enclosure, from which we are pleased to learn that the surveys of the above named ships may be undertaken in the future.

In the event of the Owner's accepting these terms, we would be grateful if Department Classn(H) may be informed accordingly and the instructions for Classification forwarded in each case, together with details of equipment, the size of screwshafts etc., also photostat copy of C11 report if International Load Line Certificates have been issued previously in the case of the Tug. "VIVI".

It would appear that special instructions will be necessary in the case of the "ARTHUR BENELMANS", this Tug being nearly twenty nine years old, a drilling survey is due on a departure from the normal procedure of submitting the Drilling Survey Form will require consideration.

Yours faithfully,

J. E. Radcliffe
pp: SURVEYORS.
