

S. TRAWLER. "JAMES LAY"

Fletcher Son & Fearnall Hull.	No. 5	LR Supervision.
Fraser & Chalmers Engs.	No. B44 BC	"
Palmer's S. & I. Co. Blr.	No. 897 BC	"

The Hull of this vessel has been built under the Survey of the Society's Surveyors at London, for Classification with this Society.

The engines made by Messrs. Fraser & Chalmers, and the boilers by Messrs. Palmer's S. & I Co., have been constructed under B.C. Supervision. The installation of the machinery on board has been carried out under the supervision of the British Corporation Surveyors and the certificate, issued by that Society, is attached herewith.

As it is provided in the Committee's Circular letter dated the 16th March 1918 that, in such cases, this Society will issue the Machinery Certificate with the notation LMC with date in red, it is submitted that this vessel is now eligible for the record of LMC.10.18.
