Dear Sir,

Motorship "SHAKTI"

With reference to your letters of the 21st June and 2nd July in which you request to be informed of the proportion of steel tested by the Society's Surveyors and also how much of the prefabricated steel was check tested.

It is regretted that the delay in replying to your letters is partly due to my being absent from Italy on official duty but the matter is now being investigated by the Naples Surveyors from records there and a reply will be sent to you as soon as possible.

Yours faithfully,

The Secretary,
London
