Dear Sir,

reference

ssn.

With reference to section 3 of your letter of the 13th November last, in which you state that the Committee's consent is always necessary when I am asked to represent a Classification Society other than that of Lloyd's Register, I beg to request you to let me know whether a preceding consent of the Committee is also necessary for Class-Surveys on vessels registered with the Norske Veritas.

I would understand that for surveys in connection with damage no preceding consent of the Committee is necessary, whether the ship is classed with an other Classif. Society or even unclassed.

The Secretary,
LONDON.

I am, Dear Sir,
Yours faithfully,
