Lloyd's Register,

NAGASAKI.

24th January, 1920.

Design No. 556, Mitsubishi.

Dear Sir,

I beg to submit the undermentioned plans of the above vessel for your approval, together with request form for freeboard, and particulars for assignment of same.

The Builders wish to have a provisional freeboard assigned, the load draught 28'-6" with summer freeboard being one of the important conditions of the design.

The subdivision plans and necessary calculations will be forwarded shortly.

I am, Dear Sir,

Yours faithfully,

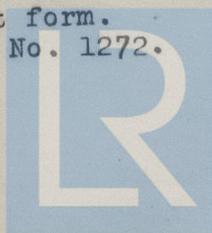

(Sgd.) R. CRAWFORD.

The Secretary,

LONDON.

Enclosed.
