Dear Sir,
We have received your letter of the 27th inst. in relation to the proposed charter of the ship "HAKON" for the purpose of carrying passengers and cargo between Japan and the United States. The ship is owned by the Japanese Government and is operated by the Japanese Navy. It is not a merchant ship and is not licensed to carry passengers and cargo for hire. Therefore, we are unable to issue a charter party for the ship.

LONDON.

Yours faithfully,
