The Second Special Survey No.2 of this trawler became due in October last, but in a letter, dated 23rd ultimo, the Owners state that owing to difficulties experienced in the fishing industry they are compelled to reduce their expenses as much as possible, and they have decided not to maintain the classification of this vessel in the Society's Register Book.

In the circumstances the Classing Committee, who had the case before them on Tuesday, 17th instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
