Dear Sirs,

I am in receipt of your letter dated the 23rd inst.  
& regret to learn you find it necessary to request the withdrawal  
from class of the above vessel. I know that the financial position  
of this country for all concerned is critical & I have forwarded  
your letter to London, with a translation into English, for the  
required attention.

I am,

Yours faithfully,

(Signed) L.R. Gunner.
