CLASSIFICATION OF TANKERS

Continuing with our letter GT. 4 N°2361 of the 15th June last, with reference to retaining the 100 A1 Class of the tankers mentioned therein, we have to advise you that this company is interested to include in the mentioned classification the Tankers "ISLAS MALVINAS", "ISLAS ORCADAS" and "ISLAS GEORGIAS", which were built in Sweden, also the "DIRECTOR MADARIAGA", "LA PLATA", "SAN LORENZO", and "COMODORO RIVADAVIA" which were built in Holland.

We also wish to have the tanker "SAN JOSE" reclassified with the same classification assigned to the above mentioned units.
