

B1 OCT 1930

twin s.s. "MARLOWE".

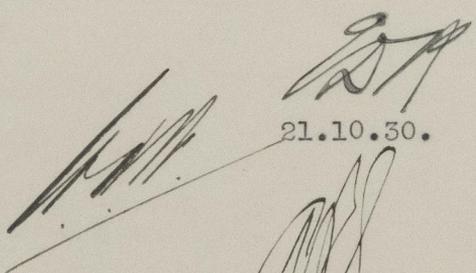

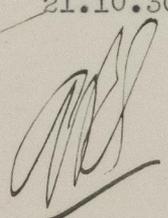

The screwshaft survey became due 8,30.

The Liverpool Office now forward a letter from the General Manager of the Wallasey Corporation, the Owners, stating that it is not intended to continue the vessel's classification with this Society.

IT IS SUBMITTED that in the circumstances the class of this vessel might be withdrawn from the Register Book, and three dots (...) inserted in lieu, indicating withdrawal of class at Owners' request.

Withdraw class.
