ENCLOSURE.

29th April, 1940.

Dear Sir,

T.

I enclose a copy of a letter which has been received from Mr. Moon, the Society's Surveyor at Halifax, in reply to an inquiry addressed to him regarding his outstanding account for \$969.06 in respect of fees and expenses for the survey during construction of the auxiliary schooner "VENTURE".

The contents of Mr. Moon's letter have received careful consideration, and I am directed to instruct you to inform the Department of National Defence at Ottawa that the Committee is not prepared to assign a class to this vessel unless payment of the amount due is made in full.

I shall be glad if you will be good enough to advise Mr. Moon of this decision, and let me know when you have anything further to report.

I am, Dear Sir,

Yours faithfully,

William Bennett, Esq.,
NEW YORK.
