Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

24th September, 1925.

Dear Sirs,

With reference to the surveys which became due last month on the screwshaft and boiler of the steam trawler "MANX ADMIRAL", I shall be glad if you will ascertain and let me know what arrangements the Owners propose making for these inspections to be carried out.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

GRIMSBY.

C. J. H.
