

Enclosures.

19th September, 1949.

Dear Sirs,

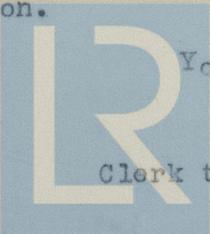

I enclose report and correspondence respecting the Steamer "RAMON ALONSO R" ex "Balmes", from which you will observe that the vessel is in order for class assignment as regards the hull and has been endorsed accordingly.

S.

I shall be glad, however, if Mr. Sellar will furnish his endorsement in respect of the machinery in order that the matter may receive the consideration of the Committee.

It will be noted that the Surveyor has already informed the Owners of the outstanding requirements of hull and machinery in a letter dated 16th ultimo, and that a reply was received to the effect that the Owners would advise when these items would be submitted to inspection.

Yours faithfully,
