

FREEBOARD REPORT on the Ardrossan Dockyard Co No 340 Motor Tanker

It is submitted the Freeboards given on the accompanying form being those required by the Tables merit approval, subject to the dimensions & particulars now supplied being verified on completion of the vessel, and to the openings in the ends of the erections being closed as required for full allowance.

The freeboards have been computed on a corrected tonnage coefficient of .76, and are therefore, subject to revision if necessary.

In submitting his final report the Surveyor should give an estimate of the tonnage contained between the line of the top of the ordinary floors produced & the top of the double-bottom in the machinery space.
