

M. V. "AKAMAS".

Aegis Shipping were informed today that, regarding their letter on the above vessel, it was not our policy to send out copies of correspondence to firms about vessels, to other firms.

They then requested that we write them a letter explaining why we would not do this and also that we state in this letter the date and reference of any correspondence received from N.&J. Vlassopoulos concerning the Main Boiler Survey in October, 1963,

P. Warden.

P.W.

29.4.1969.

Denis

any comments.

Sandy. 29.4.69

Quite correct I do NOT
but how to ADMIN OMAK requested
consider we should
write on the line
