Dear Sirs,

Re: AKAMAS

The above vessel, when under our management, was classed with you and in order to assist us with a claim we are pushing, we should be obliged if you would advise us of the following:

We are aware it is your practice to advise Owners when a survey is nearly due and we shall be pleased, therefore, to know if you advised us prior to September 1963 of the forth-coming boiler survey.

Your early advices would be very much appreciated.

Yours faithfully,
