Dear Sir,

re: s.s. "AKAMAS"

We are obliged for your letter of the 31st ultimo in reply to which we have to inform you as follows.

The vessel at present is in drydock at Rotterdam for the drawing of the tailshaft, rudder inspection and boiler repairs.

We understand that your local Representative is attending the repairs which will be finalised when the vessel completes her next commitment of fixture namely, Rotterdam in ballast to Poland for discharge Western Italy. Thereafter she will proceed in ballast to Greece for the completion of the remainder of the survey repair requirements.

At present we have no details of the repairs which are being carried out at Rotterdam but no doubt when in due course you receive your Representative's report complete information will be available.

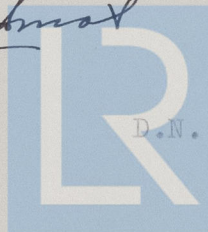

Yours faithfully,
