Dear Sirs:

Steamer "A K A M A S"

We have for acknowledgement your letter of the 7th inst., for which we thank you.

Qualifications of the undersigned as follows:

Chief Engineer- Marine  
Professional Mechanical Engineer  
Accredited non-exclusive surveyor to  
Classification Societies, viz:

American Bureau of Shipping  
Bureau Veritas  
Nippon Kaiji Kyokai  
Registro Italiano Naval

With regard survey made on captioned vessel, please be advised that no repair has been made at this port. Wasted combustion chamber stays and plain and staystubes and air heater tubes (plugged and thinned) were left as is and has to be dealt with at a future date.

Only correction made at this time was the rolling of weeping tubes noted during hydrostatic testing, until proven tight.

We trust this letter suffice the need for which it is made, we remain

Yours very truly,
