Dear Sirs,

steamer "AKAMAS"

I acknowledge receipt of your letter of the 8th instant enclosing a copy of the Report of the survey carried out by Mr. Robles. I shall be obliged if you will forward the qualifications of Mr. Robles for record purposes in this Office.

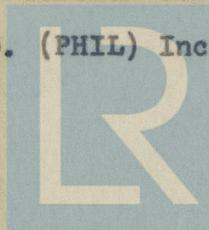

At the same time, I shall be glad if you will inform Mr. Robles that wasted combustion chamber stays and plain and stay tubes and air heater tubes (plugged) and thin in the starboard boiler remained to be dealt with as found necessary, and you should request him to state whether any or all these repairs were carried out and examined by him. Details of any repairs carried out will be appreciated.

Yours faithfully,
