Dear Sirs,

S.S. "AKANAS"

With reference to my letter of the 8th May and previous correspondence, I have to advise you that a cable has been received from the Society's Surveyor at Manila stating the Owners' Agents at that port have informed him the vessel is apparently not calling at Manila.

In view of this information, I shall be glad to learn, for the information of the Committee, when and at which port early and definite arrangements have been made by the Owners for the repairs and re-examination of the starboard boiler to receive attention.

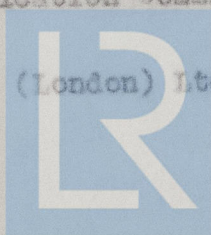

It will also be appreciated if you will advise me as soon as possible as to the Owners' intentions regarding the Screwshaft Survey, due at the end of June, as requested in the final paragraph of my communication dated 8th May.

Yours faithfully,

c.c. MANILA
c.c. YOKOHAMA
