Dear Sirs,

s.s. "AKAMAS"

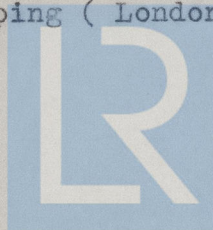

With reference to my letter of the 23rd March, I shall be glad to learn, for the information of the Committee, if you are yet in a position to let me know what early and definite arrangements are proposed to be made regarding the completion of the Main Boiler Survey.

I take this opportunity to remind you that the Screwshaft Survey will become due at the end of June, and the Owners intentions regarding this inspection will be appreciated.

Yours faithfully,

Clerk to the
Classification Committee.
