Dear Sir,

S.S. "AKAMAS"

With reference to your letter of the 8th October 1963, we wish to advise you that the Owners of the vessel have already instructed the Master to call a Surveyor at the first convenient port, which most probably will be a Cuban port, to inspect the Metallock repairs to the Main Engine bedplate.

At the same time the Surveyor will also be requested to proceed with the Main Boiler Survey.

Yours faithfully,
for and on behalf of
N. & J. VLASSOPULOS LIMITED

T.N. Galatis.
Marine Superintendent Engineer.
