Collingwood Buildings, Newcastle-on-Tyne, 1.

28th September, 1948.

The Secretary,
LONDON.

Dear Sir,

With reference to the enquiry contained in your Classing Letter of the 24th instant regarding the Steamer "STANFIRTH", we have to inform you that although the upper fore peak was originally built as a ballast tank it is now being used exclusively as a store space and not for water ballast.

We are, Dear Sir,
Yours faithfully,
THE SURVEYORS,
