1st October, 1956.

Dear Sirs,

As it is observed that the motorship "MANO" has been at Greenock for some considerable time, I enclose the deferred reports and shall be glad to learn how the case now stands with regard to the carrying out of the Special and Donkey Boiler Surveys, which became due last June, and the starboard Screwshaft Survey, which became due at the end of last December.

Yours faithfully,

The Surveyors,
GREENOCK.
