Reference Dear Sir,

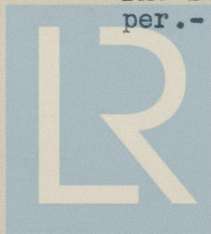

655.

m.v. " JEAN MARIE " - Used as depot ship.

The Owners of the above vessel are considering the possibility of placing this vessel into commission again. They realise that the Special Survey will become due in June next, but in view of the fact that this vessel was on the Continuous Survey system before she became a depot ship they should be glad to know what parts of the machinery will have to be examined to entitle her to a fresh LMC.CS date, concurrently with the hull Special Survey.

Yours faithfully,  
The Surveyors,  
per.-

The Secretary,  
London.
