Dear Sirs,

assn(S)

I duly received your memorandum of the 14th instant regarding the motor tanker "JEAN MARIE" and note that this is now being used as a depot ship in the port of Antwerp.

RJS

As regards her drydocking, the Society's Rules as recently amended now allow a maximum period between dockings of 2 years which, in this case, does not expire until April next.

By that time, of course, the circumstances may be altered but if they are not, I would suggest the Owners should make application for postponement at that time and submit a definite proposal for drydocking.

Yours faithfully,

The Surveyors,
ANTWERP.
