Dear Sirs,

Motorship "MANO"

Reverting to your memorandum of the 31st October, this case has since been taken up with the Owners' Agents in this City, who have replied that they know it is the Owners' intention to class the vessel with the Norske Veritas. They understand, however, that the Owners are still contemplating maintaining class with this Society, and when they have the Owners' decision, they will advise this Office.

The case is therefore not being submitted to the Committee for withdrawal from class until something more definite is known.

Yours faithfully,

Deputy Clerk to  
the Classification Committee.

The Surveyors,  
GREENOCK.
