Dear Sirs,

Motorship "MANO"

I acknowledge your letter of the 23rd instant, and conclude the Owners are aware of the fact that if this vessel is to maintain her class with this Society the work of conversion to an ore carrier will require to be effected under the inspection of the Society's Surveyors. Should this work be in process of being carried out, it is considered the question of maintenance of class is one for early decision on the part of the Owners.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.
