Dear Sirs,

"NAN YANG"

Fbd.

I duly received your letter of the 4th and cablegram of the 5th instant, the contents of which have been noted and in confirmation of my cabled reply today, as per copy herewith, would inform you that the renewal of the Load Line Certificate will necessitate the vessel undergoing a survey equivalent to a Special Survey appropriate to the vessel's age including drilling.

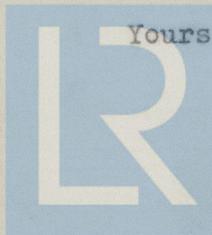

This survey should be reported on Report 8 (giving details of repairs), marking form and Load Line Renewal Survey Report.

A further communication will be addressed to you in due course regarding withdrawal of the vessel's class.

Yours faithfully,

TON M/1
CFA.

The Surveyors,
SINGAPORE
