

"NAN YANG"

This ship was built 1931-5 and classed  
\*Al "For Service between Saigon and Fushan".

A SPECIAL SURVEY (D) became due 12,55  
and postponement until 12,56 was approved. An Owners' further  
request for postponement until 6,57 was not granted. See  
Endorsement dated 28.8.56.

The class is subject to doubled shell  
plating below scupper (p.s.f.) being specially examined next  
drydocking.

In reply to a memorandum the Singapore  
Surveyors now enclose a letter from the Owners dated 2.1.57  
in which they state that they wish to withdraw the ship  
from class.

IT IS THEREFORE SUBMITTED for consideration  
whether -

The class be withdrawn at Owners'  
request (with date)

OR

The class be expunged - non-compliance  
with Regulations (with date).
