Dear Sirs,

Motorship "NAN YANG"

I acknowledge receipt of your memorandum of the 13th instant, the contents of which have been noted.

In view of the fact that the only main engine parts examined since December, 1951 are No. 2 bottom end and the attached air compressor of each engine and the port attached scavenge pump, together with a few auxiliary parts, I shall be glad to learn, by return, when it is anticipated the present charter will expire.

Yours faithfully,

per Clerk to the

The Surveyors,
