Dear Sirs,

Motorship "BENMORE"

I duly received your letter of the 27th ultimo, the contents of which were referred to the Amsterdam Surveyors for comment.

In their reply they state that although the lubricating oil tanks with cofferdams were cleaned on the occasion of the General Examination in August, 1953, they were not examined as stated by the Owners.

The windlass was, however, examined and may be accepted as commencement of the Special Survey, provided you satisfy yourselves on the present occasion that it is in good condition.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
OSLO.
