

COPY OF AIR LETTER

# LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

71, Fenchurch Street, E.C.3

15th April, 1954.

Classn(S)

AH

Dear Sir,

I have to acquaint you that the Vessels named in your Reports of Survey, numbered below, have been classed as against the same expressed.

"SOEPA". I acknowledge receipt of your letter of the 29th ultimo, the contents of which have been noted.

The case has now received the consideration of the Committee, who have agreed to the class being continued subject to the steering chains and cylinder block being renewed before the ship resumes service. The Owners' Agents should be informed accordingly.

5764 "BENMORE". As recommended. It is concluded that that main engine bolt which was renewed has been satisfactorily tested, but I shall be glad if you will forward a forging certificate in respect of this item.

Yours faithfully,

Clerk to the  
Classification Committee.

A.C. van Bezuije, Esq.,  
SOURABAYA.
