QUESTION

ANSWER

With reference to your report No. 30919, I shall be glad to learn, as soon as possible, what early and definite arrangements have been made to complete the main Boiler Survey, which became due at the end of last October.

According to the records in this Office this barge was last examined in drydock by the Society's Surveyors in November, 1958.

Oil Barge "ESSO PARANA"

We are to-day in receipt of a reply from Owners transcribed in full and as follows;

"Referring to your letter of April 20th. 1960 re-completion of the Boiler Survey & drydocking of the above mentioned vessel, please be advised that she has been withdrawn from service as of April 1st. last, and is at present laid up on Campana.

Should this vessel in the future again be permanently incorporated in our operating fleet we will call on you for the pending surveys."
