Dear Sir,

Motorships "Dammam & "Abqaiq"

I beg to acknowledge your letter dated 17th March, 1960, and to thank you for the enclosed information regarding the above vessels.

From enquiries of the Owners' Agents it has been ascertained that the Superintendent Engineer of the Saudi Lines is expected to arrive in Aden from Italy within the next week to discuss with the repair firm the arrangements to be made for completion of the Special Surveys on both the above vessels, as far as is known, and to finalise the drydocking dates.

I shall inform the Society as soon as any further information comes to hand.

Yours faithfully,

B.W. Oxford.

The Secretary,
London.
