Dear Sir,

Motorships "Dammam" and
→ Abquaiq ←

With reference to the last paragraph of my letter Classn.(H) dated 24th December, 1959, regarding the Continuous Survey Cycles on the above vessels I shall be pleased to learn at your early convenience what items of machinery remain to be seen to complete the surveys. It has been stated that the "Dammam" is expected to arrive at this port about 10th March, 1960, to be followed at a later date by the "Abquaiq".

I shall also be pleased to have your confirmation that the full requirements of the Special Survey remain to be dealt with on both vessels.

Yours faithfully,

B.W. Oxford.
