24th December, 1959.

Dear Sir,

Motor Vessels "DAMMAM" and "ABQAIQ"

Further to my letter dated 21st December, 1959, regarding the "Damnam" I am pleased to inform you that I have now been verbally advised by a representative of the Owners' Agents at Aden that it is intended to carry out the Special Survey on each of the above vessels at this port in January or February, 1960, dry dock facilities permitting.

It has also been ascertained that the "Damnam" has not called at Aden for some considerable period and that the conditions of class against this vessel will very likely remain outstanding until the Special Survey is carried out unless they are dealt with at some other port in the meantime.

Regarding the Completion of the Continuous Survey Cycles I shall be pleased to learn, at your convenience, of the items of machinery remaining to be examined on both vessels.

Yours faithfully,

B.W. Oxford
