Ocean Chambers, Lowgate,

Hull, 23rd June. 1922.

Dear Sir,

I beg to inform you, that, I am informed by the builders there is a possibility of the classification certificates being required at an early date for the steamer "SAINT DOMINIQUE" built by Messrs. Livingstone & Cooper, Ltd., of Hessle, yard No. 193. The vessel is lying at their yard and is a sister vessel to the "SAINT BASILE" and "SAINT DIDIER" built by them. To complete the vessel a few minor items require to be carried out. As the approved plans are at present in the London Office it is suggested that the classification certificates might be prepared in case they are required in a hurry.

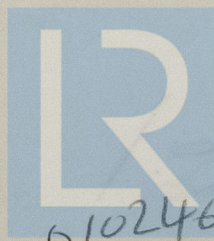

I am, Dear Sir,.

Yours faithfully,.

Arthur Scullard.

The Secretary,.
