QUESTION

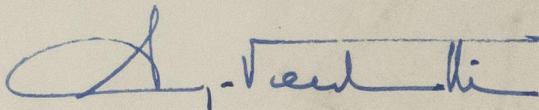

ANSWER

With reference to the Boiler Survey, which became due at the end of July last, I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making for this inspection to be held.

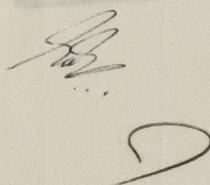

As this vessel does not appear to have been seen in drydock since July, 1957, I shall be glad to learn the owners' intentions regarding this matter.

Date:— 25th October, 1958

The Owners state that machinery and boilers have been removed and the ship has been converted to a barge for which the Class will not be retained.
